

CURRICULUM VITAE

ANTÓNIO MANUEL DA CRUZ SERRA

António Cruz Serra was born in Coimbra, Portugal, on December 17, 1956.

He received the Electrotechnical Engineering diploma from the University of Oporto, Oporto, Portugal, in 1978, and the M.S. and Ph.D. degrees in electrical and computer engineering from the Technical University of Lisbon (UTL), Lisbon, Portugal, in 1985 and 1992, respectively.

Since 1978, he has been a Member of the Teaching and Research Staff with the Instituto Superior Técnico, University of Lisbon (ULisboa), where he is currently a Full Professor of instrumentation and measurement. Since 1994, he has been with the Instituto de Telecomunicações, ULisboa, where he is currently senior member of the instrumentation and measurement research line. His current research interests include electrical measurements, ADC modeling, testing and standardization, and automatic measurement systems.

MAIN UNIVERSITY MANAGEMENT POSITIONS

- Rector of the University of Lisbon since July 2013, after the merge of the former University of Lisbon (Classical) with the Technical University of Lisbon.
- Rector of Technical University of Lisbon from January 2012 to July 2013.
- President of Instituto Superior Técnico (IST) 2009-2012.
- President of Cluster (Consortium Linking Universities of Science and Technology for Education and Research) a consortium of 12 elite European Universities in Science, Engineering and Architecture from 2010-2012.
- President of the management board of Taguspark SA, the biggest Science and Technology Park of Portugal from 2010-2015.
- Vice President of the Executive Board (CEO) of Instituto Superior Técnico, 2002-2008.
- President of ADIST (Associação para o Desenvolvimento do IST), 2009-2012.
